

## **Proposal for use of budgeted Reserve Funds**

Following the decision of the church meeting to use some of our financial reserves wisely for God's work everyone has the opportunity to make suggestions.

The intention is to gift £20,000 this year. It need not all go to one cause and it could be helpful to suggest the amount that it would be useful to give.

- Is there any ongoing connection between the proposer and the cause?
- What exactly will the money be spent on and who is going to benefit?
- Would the cause have an ongoing mutually-beneficial relationship with Magor Baptist Church.?
- What other signs are there that God is moving us to support the cause?
